SBEECA TG Status

• 2017: TG formed, draft Annex provided for review, editing begins
• 2018: Editing continues. **TG decides RP format is more appropriate.**
  – Document needs guidance language
  – Annex does not contain guidance. RP format allows guidance.
  – If submitted as new Annex, it will complicate API 1104
• 2019: Switch to RP format. Change oversight from Fracture Mechanics subcommittee to the Main Committee.
