REPORT TO MAIN COMMITTEE: January 24, 2020

1. There were 47 members and guests present at the RT Task Group meeting this week.

2. The RT Task Group worked over a two day period developing RT related responses for the roughly 63 comment resolutions on the 2nd ballot of the 22nd edition. The RT Task Group approved the comment resolutions that were presented and provided them to the NDT Subcommittee for their final approval.

3. The RT Task Group Chairs would like to commend and to recognize the monumental efforts by all those involved this week from the two RT Work Groups in helping develop and resolve these comments in such an expeditious manner.
