REVISION TASK GROUP STATUS

JANUARY 2019

1. INTRODUCTION

RP is up for 5-year review and SRRR has been submitted.

2. STATUS

Fall of 2018, the task chair solicited comments from the original workgroup asking for any discussion points that would drive us to revise the document. Comments have been received and a meeting with the workgroup will be scheduled during 1st quarter 2019 to review and address issues with the text.

New Co-Chair has been identified as Chris Scarborough of BP.

3. MEMBERSHIP

The following task group members have been either identified or submitted comments. Other members will be recruited when a meeting date is agreed. Many original members have retired or moved on to other positions and companies.
